

AthleteIQ

Know your athletes better. Every single day.

For Coaches

For Athletes

For Parents

What AthleteIQ does for you

One app for the coach, the athlete, and the parent.

AI Readiness Score

See if each athlete is fit to train today — scored 0 to 100

Injury Risk Alerts

Get warned before an athlete gets hurt — automatically

Quick Squad Logging

Record your entire team's session in under 3 minutes

Mental Wellness

Breathing exercises and focus routines built in

AI Training Plans

Get sport-specific drills — warmup to cool-down, instantly

Parent Updates

Parents see their child's recovery advice — no WhatsApp needed

For the Coach

- Check who is ready before training starts
- Get notified if someone is at injury risk
- Save 2+ hours a week on session admin
- Share AI drill plans with your team
- Show parents real data — build their trust

For the Parent

- See how your child is feeling after training
- Get easy home recovery tips every day
- Track your child's fitness over weeks
- Know if rest is needed — before injury happens
- Feel confident about your investment in sport

How it works — daily, in under 3 minutes

1

Athlete Checks In

Answers 4 quick questions on phone

2

AI Reads the Data

Gives a score and flags any concerns

3

Coach Reviews

Sees full team summary before session

4

Parent Gets Update

Sees child's recovery advice instantly
